SC COMICS PRESENTS: THE NANDI BEAR TENANTS
Baby Mega Boy Electric!

Art and Writing By:
Blaise Kolodychuk

Deep underground in Captain Trash's secret lair Oliver and Captain Trash are hanging out.

Captain Trash, I gotta say, you are an inspiration. You have this cool secret base, and Baby Chi as your side kick, and your whole life is about helping out cats and saving lives and stuff.

Yeah, it's pretty amazing alright. Especially because I still live in my parent's basement and I don't have to pay rent!

Well now that the mega gem gave me these amazing electric super powers, I feel like I should be out there also, you know helping out the world or whatever.

Well anyone can do it, just takes a lot of guts and a super cool outfit.

What is that thing you have been playing with for the last hour?

I built it myself from things I found in the trash. I call it CIDDS. Cats In Distress Detection System.

And what does it do?

Basically, if a cat is in distress, it is a system that detects it and tells me.

I would have never guessed that.

BEEP! BEEP! BEEP! ALERT

Exactly like this! It looks like there is some kind of trouble at the old petrol station outside town on Frogland Road!

Wow! What's happening there?

It's not that specific Oliver, I'm not some kind of wizard you know.

So do you think I could come with you? You know, like to help out?

I don't know.. Do you got guts?

Heck yes.

Do you have a super cool outfit?

Man, I actually don't. All I have is 12 sets of this exact same suit!

Well Oliver my friend, today is your lucky day, I just happen to have a whole closet full of super hero uniforms!

Seriously? Yet you choose to wear old ripped up jeans and t-shirts, with your logo drawn on in sharpie?

Well, I am a fashionista. But the real reason is that all the costumes are cat sized. Didn't you know that I used to work with the legendary Big M Trio? This was our HQ back in the day.

The Big M Trio? Those guys were my heroes growing up.. You are cooler than I thought!

Just go get changed.

A SHORT FASHION SHOW LATER...

What do you think? Pretty cool hey?

Yeah, you are beautiful Baby Mega Boy Electric. But we gotta go fast!

AFTER A SHORT RIDE IN THE TRASH-MOBILE THE HEROES ARRIVE AT A FILLING STATION IN FLAMES!

SANDWICHES COFFEE POP

PENNY'S

This looks like the place..

Not as scary as having to call you Baby Mega Boy Electric all the time. It's kind of a weird mouthful. Can I just call you Mega Boy?

This cat looks scary Captain Trash.

Thats acceptable. Lets go ask this cat what her problem is.

So, I noticed you destroyed this petrol station.. What do you got to say for yourself?

I am Sunny, I am from the Sun, and I crash landed on your little blue planet!

Oh, that's all? We can totally help you out and get you back home!

Excellent. You can help me... as soon as I destroy every living thing on Earth!!! HAHAHAHAAHA!!!

You know when you think something is gonna be easy, then it's all this nonsense instead.

I am telepathically connecting to Sunny's mind. It is a jumbled mess!

CAPTAIN

You will either be my servants or you will be destroyed!

It seems as though someone put a microchip in her mind and it was horribly damaged when she crashed.

You mean she's not actually evil? She just has a faulty microchip?

It would seem so.

YOU FOOLS!

I will destroy the planet without your help! Hahahaha!

Who would put a microchip in a cat?

I don't know but we better stop her before anyone else gets hurt.

Roger that captain Trash, we can follow her trail of flames and smoke!

Lets go, Mega Boy!

Soon Captain Trash and Mega Boy are joined by Dorriss Doom in downtown Minehead, where Sunny has started destroying everything!

Dorriss, I'm so glad you could join us. She left a filling station in flames, and it looks like she is trying to do the same to the city!

She is super powerful. I'm not sure what we can do to stop her!

I will try to contain her in a force field. Hang on guys!

Sunny! I don't want to hurt you, But I have to stop you from destroying the planet!

Dorriss shoots her with a force field. But sunny escapes it.

Your weak powers are no match for a cat from the sun!

I don't know what else I can do without actually using force, she is so strong! Captain Trash, can you hit her with a psychic attack?

I can certainly try.

Ha! You are making my brain tickle! Nice try you tiny mortal, but there is no stopping me!

He uses his telepathic powers to try and control Sunny's mind.

SUNNY SUDDENLY BLOWS UP A BUILDING!

BOOM!

Luckily we called the police to evacuate the whole city centre and no one is left in any of these buildings!

I don't know what to do Dorriss, I don't want to hurt her because it isn't her fault, but we can't let this go on!

Unfortunately I think you are right Captain Trash! Hey, Where did Mega Boy go?

I'm up here guys, I got one last idea... just give me a minute.

Suddenly, Dorriss Doom's wrist radio...

BEEP BEEP

Mega Boy! You are going to get yourself killed! You have never tangled with a super villain, and this cat is as bad as they come!

Trust me.

Mega Boy focuses all his attention on creating a tiny electrical beam, and he shoots directly into Sunny's ear.

Hey what's happening?

ZZZZZZZAAPP!

The electricity goes straight into the broken microchip and completely overloads it making it useless!

ZZZTTT!

Sunny falls from the sky.

Later at the Nandi Bear Mansion...

Hey, what happened? Last thing I remember was trying to escape from the sun..

Well, our friend Oliver here overloaded the microchip in your head and destroyed it.

My microchip is gone?! That's amazing! Thank you so much!

Why did you even have that in your head?

It's a long story, but I was being held prisoner inside the Sun. A horrible person named Floyd imprisoned me many years ago and inserted that microchip to stop me from having any free will. But recently I found out that if I put my head close enough to the microwave while it was turned on it would short it out for a small time.

So I tried to escape, but I think the chip turned back on as I was passing the Earth.

And that's when you crash laded and the microchip was damaged turning you into a maniac!

It did? I hope I didn't hurt anyone!

No worries Sunny. You get some sleep. You can stay here with us at the Nandi Bear Mansion as long as you want. And Oliver, great job on your first adventure.. You really saved the day!

All in a days work for "BABY MEGA BOY ELECTRIC!"

There is no way I am ever going to call you that in public.
